If you do not have a number, we will assign you a number at the roping. Again, this year, if you have more than one employee from your organization that would like to enter – THAT'S GREAT! This way more people can participate. Entry fees are \$120/ team and the roping will be Progressive on One.

  - D.) We will use an electric barrier in the Sponsor Roping. 5 second penalty for broken barrier. 5 second penalty for roping 1 hind leg.
  - E.) Trophy belt buckles will be awarded to the winners of the average in the #13 roping and the #10 Incentive.
  - F.) Champion saddle will be awarded to the high money winner of the Sponsor Roping.
  - G.) **In the event of a tie for the saddle, there will be a three (3) head rope off before the next roping takes place. The average winner from the rope off will determine the saddle winner. Ropers must rope with one of the partners they were entered with.**
